

Scouting AT HOME Badgework

BEAVERS

Skills Challenge

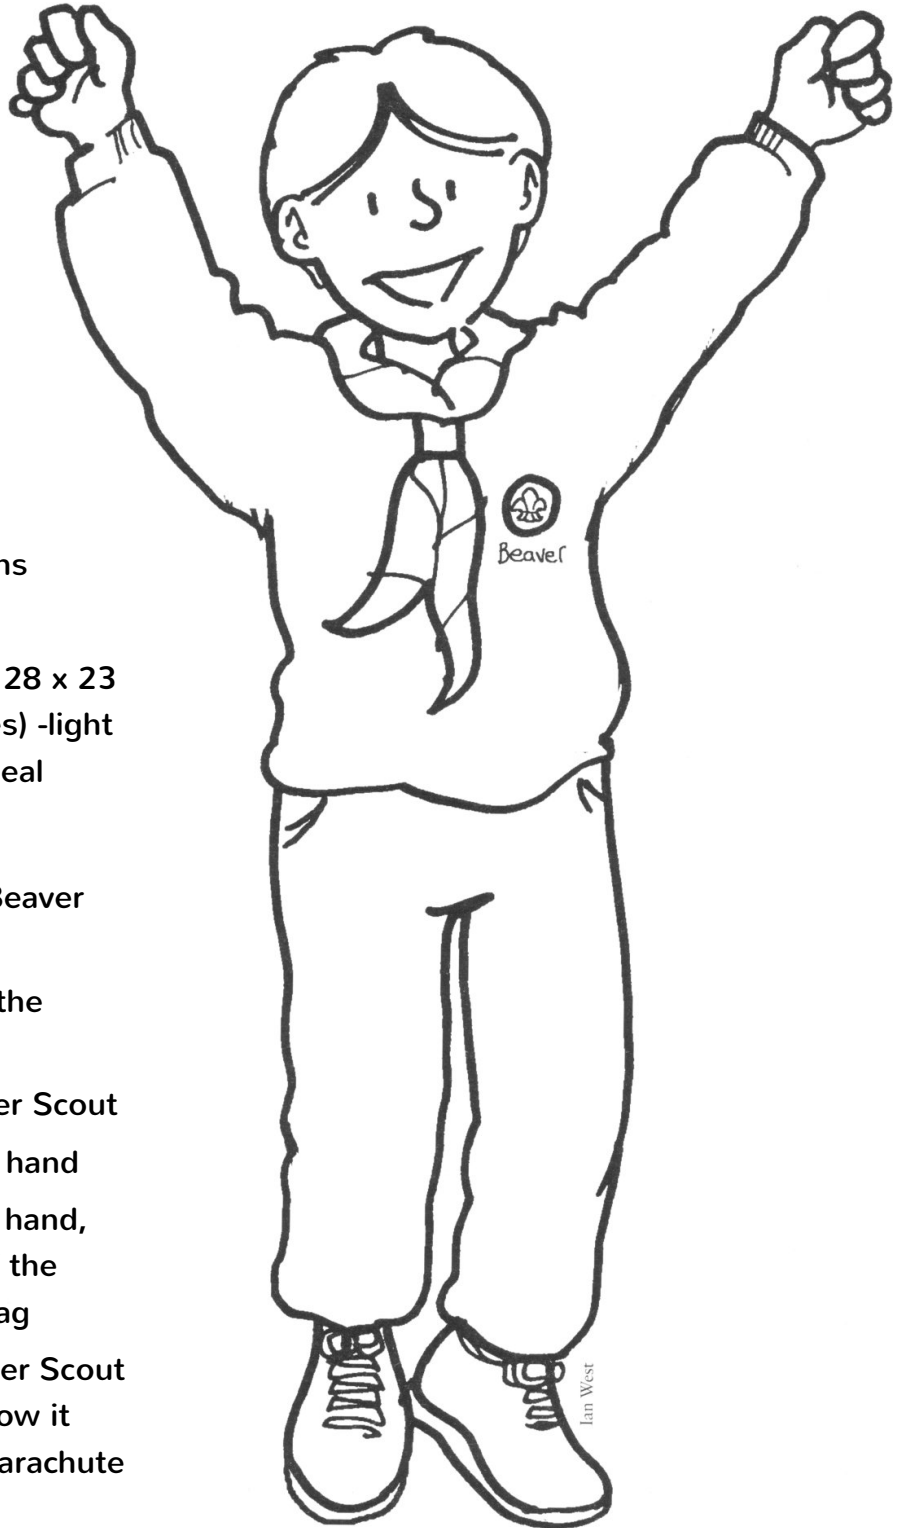

Parachuting Beaver

You will need

- Cardboard - quite thick
- String
- Crayons - or felt-tipped pens
- Glue or Pritt stick
- Plastic bag, approximately 28 x 23 centimetres (12 X 10 inches) -light weight grocery bags are ideal

What you do

- Stick the template of the Beaver shape on to the cardboard
- Cut the cardboard around the Beaver Scout template
- Decorate the cut out Beaver Scout
- Punch a small hole in each hand
- Attach two strings to each hand, attaching the other end, of the string the corners of the bag
- Drop the parachuting Beaver Scout from a height and watch how it glides to the floor as the parachute fills out with air

Fairly clean

Not too messy

Quite messy

Highly messy
